To deal with

1. People and Organizations (Wharton)
   - Needs to have a 'HR' angle.
2. Organization Science Winter Conference
3. Berkeley Culture Connect - https://haas.berkeley.edu/culture/berkeley-haas-culture-conference/
   - Needs to be (loosely) about 'culture'.
4. CalO2 - California Theory Workshop on Organizations and Organizing
   - For Cali schools, often features more qual papers than (5).
5. Southern California Strategy and Organizational Theory Workshop
   - Technically for So-Cal schools; Predominantly quant, but the UCSB qual people attend and give great feedback.
- Harvard STS Summer School
  - For mature grad students, usually features 'pure' STS/soc people.
- 4S (STS)
- ASA (especially organizations, occupations and work (OOW); economic sociology; or CITAMS)
- LERA (Industrial/labor relations)
-
- ICIS (information systems)

- Wharton GenAI and the Future of Work (specific GenAI focus. Held in their SF (rather than Philly) campus).
- https://www.aiaconference.com/ - Georgetown on policy
